### Welcome to our Welcome Centers.

As a visitor to South Carolina, you'll find the staff of the state's 10 travel information centers eager to help you enjoy your travels.

Whether you're looking for a scenic route or the most direct route, for information about the state's many historic, recreational or vacation sites, or for up-to-the-minute weather reports, the centers' information specialists can assist you. Courtesy reservation service for lodging in South Carolina is also provided by the centers.

Centers near the North Carolina line are located on U.S. 17 near Little River, I-95 near Dillon, I-77 near Fort Mill, I-85 near Blacksburg and I-26 near Landrum.

Locations near the Georgia line are on I-85 near Fair Play, I-20 at North Augusta, I-95 near Hardeeville and at the Tourism Center on U.S. 301 near Allendale. Another I-95 southbound center is near Santee and Lake Marion. (Locations are shown on map.)

Come see South Carolina — and let the welcome center specialists help you get the most from your visit.

### What to do in case of an accident

1. Stop your vehicle if it has not already been stopped by the accident. If your vehicle is obstructing traffic, move it to a safer place.
2. Aid the injured.
3. Protect the accident scene.
4. Call the police agency (city, county or Highway Patrol) which has jurisdiction.
5. Identify yourself to the other driver, giving your name, address, driver's license number and vehicle license number. It is also good to exchange your insurance company names and policy numbers.
6. The investigating officer will issue a form (insurance verification) to be completed by your liability insurance company, verifying that insurance coverage was on the vehicle at the time of the accident.
7. Submit to the South Carolina Department of Highways and Public Transportation appropriate verification of liability insurance coverage at the time of the accident.
8. Report the accident to your insurance company.

Drive defensively and your chances of being involved in an accident will be greatly reduced. Always be on the lookout for the other driver's errors and don't let their mistakes cause you to have an accident.

If you need help, call the Highway Patrol's toll free number
